May 2001

Dear Officer

Congratulations on being selected an officer of the Brookfield Future Business Leaders of America.

In the past we have attended the Officer Training Seminar held in Columbia. The date for this year is Tuesday, July 31. The cost to attend this meeting is \$10. Please discuss this with your parents and let me know by Friday, May 18 if you are able to attend. At that time I will need a check for \$10 to cover your registration fee. Meals will be on your own. See attached sheet for more information about the training seminar.

Please plan to attend the Career and Technical Student Organizations Awards Program next Tuesday night, May 15 at 7 pm. You will be introduced as next year's officer team.

Again, congratulations on your new office. I look forward to working with each of you in the upcoming year.

Sincerely

Mrs. Hofstetter
